Criteria 3- Research, Innovations and Extension

Key Indicator 3.2- Innovation Ecosystem

Summary Report:

3.2.1 Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

Response:

Vivekananda Mahavidyalaya, Burdwan has developed a robust ecosystem for innovation and academic growth through the activities of different academic departments, IQAC and its different subcommittees through its various policies and actions the following initiatives.

Indian Knowledge System (IKS):

1. **Faculty Development programmes:** Regular faculty exchange programmes organized by IQAC with nearby institutions facilitate collaborative academic efforts. IQAC also organizes faculty development programmes (hands on training) for non teaching faculty members to enhance their skills.

2. Central Library facility: Central Library is a repository of more than 40 thousands books and journals. Access to INFLIBNET further enriches academic resources for the community. 36 journals and magazines are present in this section. For quick access QR Code of College Library website has been formed.

Incubation Centre:

3. Central Computer Laboratory cum Language Laboratory facilities: Equipped with high-speed internet, this facility supports students and faculty in accessing e-resources and developing language skills.

Intellectual Property Rights (IPR):

4. Intellectual Property Rights (IPR) awareness programmes: A lot of teachers of the institution are actively engaged in research activity and published books of different subjects. Many of the intellectual possessions are not sheltered due to the lack of understanding of the importance of IPR. For this reason the IPR cell of this college has taken an initiative to make the stakeholders acquainted with IPR, aid in filing of patent applications and filing other forms of IPR. Both teachers and students will get incentive in doing cutting-edge research, developing new technologies and creating original works by getting legal protection and potential rewards for their intellectual pursuits.

Other Activities:

5. No objection for pursuing Doctoral degree or Research projects: Provides "No objection" Certificates to the faculty members for pursuing Ph.D. programme.

6. Workshops and Seminars for students & faculties: The IQAC in collaboration with various departments and external agencies organizes workshops/seminars and different activities like participation in Youth Parliament organized by state authorities, celebrating Constitution Day etc. These events promote networking, mentoring, and peer learning.

7. Co-Curricular Activities for Students: IQAC initiates co-curricular activities such as Quiz, Student Seminar and Mentoring programmes, enhancing the overall development of students.

8. Career Guidance for Students: The Career Counselling Cell organizes seminars and training programmes in collaboration with external agencies like RICE Group, TCS, Institute of Company Secretaries of India etc, helping students make informed career decisions and getting engagement in respective companies.

Outcome:

These initiatives collectively create an innovative ecosystem at Vivekananda Mahavidyalaya, Burdwan fostering intellectual growth and skill development among both faculty and students. The emphasis on Indian Knowledge Systems through MOUs, learning programmes, hands-on training, and access to extensive resources like the library and e-resources underscores the institution's commitment to holistic education and academic excellence.

The **Intellectual Property Rights (IPR) Cell** of the college was constituted on 4th July, 2022. The aim of the cell is to provide Intellectual Property Rights awareness for the teachers as well as for the students. It also scrutinizes legal and monetary aspects of documentation of research papers and books.

A lot of teachers of the institution are actively engaged in research activity and published books of different subjects. Many of the intellectual possessions are not sheltered due to the lack of understanding of the importance of IPR. For this reason the IPR cell of this college has taken an initiative to make the stakeholders acquainted with IPR, aid in filing of patent applications and filing other forms of IPR. Both teachers and students will get incentive in doing cutting-edge research, developing new technologies and creating original works by getting legal protection and potential rewards for their intellectual pursuits.

This will certainly encourage and inculcate stakeholders to search for new findings. All sixteen departments joined hand in this work to promote this quality approach for a period of three (3) years.

IPR cell organised a meeting on 06.03.2023 in our college where the members of IPR cell, teachers who are actively engaged in research and those who have published books and book chapters till date were present. Teachers who have published papers in open access journals possess the copyright of his/her paper and those who have not sold their copyright of books to the publisher are both direct stakeholders of IPR issue. Discussions were made on whether the copyrights of the stakeholders are protected in proper way.

A resolution was taken that the IPR cell will organise a meeting with interested students on that issue in every six months in the college.
