SEMINAR REPORT

2nd Edition of Mountaineering Foundation (IMF) Film Festival 2018 organised by IQAC

Date: 27.11.2018

Number of participants: 137

On November 27, 2018 Vivekananda Mahavidyalaya, Burdwan hosted an inspiring and visually captivating film festival centred on the themes of trekking, mountaineering, and cycling in collaboration with Indian Mountaineering Foundation. The event, held in the college's seminar hall, brought together adventure enthusiasts, students, and faculty members for an afternoon of cinematic exploration into the world of outdoor sports and exploration.

The primary goal of the film festival was to promote awareness and appreciation for adventure sports, encourage students to engage in outdoor activities, and foster a sense of community through shared experiences and stories.

In the said programme, Debraj Dutta, Secretary, IMF East Zone Committee was present and illuminated students with his adventurous stories. Other guests also showed photograph and video of their various adventures in the field of trekking and rock climbing. Attendees participated in workshops focused on film-making techniques, adventure sports photography, and storytelling. These workshops aimed to provide practical skills and inspire students to pursue their own projects related to adventure sports. A lively panel discussion followed the film screenings took place. The discussion revolved around the impact of adventure sports on personal growth, the role of media in promoting outdoor activities, and the future of adventure sports.

The festival received overwhelmingly positive feedback from attendees, with many praising the quality of the films and the insightful discussions. Students expressed a heightened interest in pursuing adventure sports and filmmaking, and there was a noticeable increase in enthusiasm for outdoor activities on campus.

The film festival organized Vivekananda Mahavidyalaya, Burdwan was a resounding success, achieving its objectives of raising awareness about adventure sports and inspiring students to engage in outdoor activities. By bringing together a diverse audience and offering a range of engaging content, the event highlighted the importance of adventure sports in personal development and community building. The college looks forward to hosting similar events in the future to continue promoting a healthy and active lifestyle among its students.

SEMINAR REPORT

One Day Seminar on Design Principles for Oxysulphide Class of Lithium Superionic Conductor organised by Department of Chemistry and IQAC

Date: 01.12.2018

Number of participants: 50

On December 1st, 2018, the Department of Chemistry at Vivekananda Mahavidyalaya, Burdwan hosted a one-day seminar titled "Design Principles for Oxysulphide Class of Lithium Superionic Conductor." The seminar aimed to delve into the latest advancements in the field of lithium superionic conductors, focusing specifically on the oxysulphide class of materials. The event attracted researchers, faculty members, and students with interests in materials science, electrochemistry, and energy storage technologies.

The seminar was designed to Provide an in-depth understanding of the design principles for oxysulphide lithium superionic conductors; Highlight recent research and developments in the field and facilitate discussions on the challenges and future directions for these materials in energy storage applications.

The seminar was inaugurated by Dr. Sibaprasad Rudra, Principal, Vivekananda Mahavidyalaya, Burdwan. Dr. Rudra emphasized the significance of superionic conductors in advancing energy storage technologies and the importance of innovative research in this area.

Dr. Tanmoy Dey, Department of Chemistry, University of Burdwan, delivered the keynote address titled " Design Principles for Oxysulphide Class of Lithium Superionic Conductor." Dr. Dey outlined the fundamental principles behind superionic conduction, the unique properties of oxysulphides, and recent breakthroughs in the field.

After the main lecture, Q&A session provided an opportunity for attendees to engage with the speaker and seek clarification on various topics discussed during the seminar. This interactive segment fostered a deeper understanding of the subject matter and encouraged networking among participants.

The seminar received positive feedback from attendees, who appreciated the high level of expertise and the relevance of the topics covered. Participants expressed that the seminar enhanced their understanding of oxysulphide lithium superionic conductors and provided valuable insights into current research trends and practical applications.

The one-day seminar on "Design Principles for Oxysulphide Class of Lithium Superionic Conductor" successfully met its objectives, offering a comprehensive overview of recent advancements and future directions in the field. The seminar highlighted the significance of oxysulphide materials in energy storage technologies and provided a platform for knowledge exchange among expert and enthusiasts.

SEMINAR REPORT

One Day Seminar on Indian Epigraphy and Chronology organized by Department of Sanskrit

Date: 05.12.2018

Number of participants: 93

On December 5, 2018, the Department of Sanskrit at Vivekananda Mahavidyalaya, Burdwan hosted a one-day seminar titled "Indian Epigraphy and Chronology." The seminar provided a platform for scholars, researchers, and students to explore the intricate field of Indian epigraphy and the methodologies used to determine historical chronologies. The event aimed to enhance understanding of the role of inscriptions in historical research and to discuss the challenges and advancements in this area.

The seminar aimed to examine the significance of Indian epigraphy in historical research; discuss various methods used to establish chronological frameworks based on inscriptions and facilitate knowledge exchange among experts and enthusiasts of Indian history and epigraphy.

The seminar was inaugurated by Dr. Sibaprasad Rudra, Principal, Vivekananda Mahavidyalaya, Burdwan. The seminar commenced with a welcome address by Mr. Dibyajoti Hazra, Head of the Department of Sanskrit. Mr. Hazra highlighted the importance of epigraphy as a tool for historical analysis and outlined the seminar's goals and agenda.

Dr. Aditi Sarkar, Professor, Department of Sanskrit, Burdwan University, delivered the keynote address titled "Indian Epigraphy and Chronology." Dr. Sarkar provided an overview of the evolution of epigraphy in India, the significance of inscriptions in reconstructing historical events, and the methodologies employed in deciphering ancient texts.

After the Key note address, Q&A session provided an opportunity for attendees to engage with the speakers, ask questions, and delve deeper into specific areas of interest. This interactive segment fostered a lively discussion and facilitated knowledge sharing.

The seminar received positive feedback from attendees, who appreciated the depth of knowledge and the quality of presentations. Participants noted that the seminar provided valuable insights into the field of Indian epigraphy and its role in historical research.

The one-day seminar on "Indian Epigraphy and Chronology" successfully achieved its objectives by offering a comprehensive exploration of epigraphical methods and their application in historical research. The event provided a valuable platform for knowledge exchange and fostered a greater appreciation for the role of inscriptions in reconstructing historical narratives.

SEMINAR REPORT

One Day Seminar on Translation Studies organized by Department of English

Date: 11.12.2018

Number of participants: 99

1. Name of the Event: Departmental Seminar
2. Date: 11.12.18
3. Place: Seminar Hall
4. Resource person / Judges/ Faculty Members Present:
Prof. Arindam Ghosh (Asst Professor, Krishna Chandra College, Hetampur)
5. Students Present: 57
6. Outcome of the Event:

The seminar was an immensely edifying one. Prof Arindam Ghosh, quite meticulously addressed the various nuances of Translation studies, and brought forth some eye-opening revelations, absorbing thus the attention not only of the students but also of the faculty members of the department. The way certain flavours of literature are both lost and added by way of translation, was brought to the fore. It turned out to be a very interactive session.

One Day Seminar on Basics of American Literature: An Overview of Select Texts organised by Department of English

Date: 15.12.2018

1. Name of the Event: Departmental Seminar on " American Literature"
2. Date: 15.12.18
3. Place: Seminar Hall
4. Resource person / Judges/ Faculty Members Present:
Dr. Pradipta Sengupta (Associate Professor, MUC BURDWAN)

5. Students Present: 87

6. Outcome of the Event:

The event was organised at a short notice. But the over-all outcome was more than satisfactory. Dr P. Sengupta addressed the topic from the very basic level, so that the students were able to benefit largely from it. The key aspects of American literature, with a special reference to the American Dream, which forms the staple of most of the American texts, especially the ones prescribed in the syllabus. The students took extensive notes from the sufficiently long lecture and interacted adequately.

One Day Seminar on Journalism Proficiency and Media Ethics organized by Department of Mass Communication Date: 18.12.2018

Number of participants: 10

On December 18, 2018, the Department of Mass Communication at Vivekananda Mahavidyalaya, Burdwan, hosted a one-day seminar titled "Journalism Proficiency and Media Ethics" with collaboration with Sri Sri University, Cuttuck, Odissa. The seminar aimed to provide a comprehensive understanding of key aspects of journalism, focusing on enhancing professional skills and addressing ethical challenges faced by media practitioners. The event attracted students, faculty members, and professionals in the field of mass communication.

The seminar was organized with the following objectives:

- To enhance proficiency in journalism practices and reporting skills.
- To explore the ethical considerations and challenges in the media industry.
- To facilitate discussion and exchange of ideas on current issues affecting journalism and media ethics.

The seminar began with an inaugural address by Dr. Binoy Krisna Roy, Department of Mass Communication. Dr. Roy welcomed the participants and outlined the seminar's objectives, emphasizing the importance of journalistic integrity and proficiency in today's media landscape

Dr. Sohini Chakraborti of Sri Sri University, delivered the keynote address titled "Navigating the Modern Media Landscape: Balancing Proficiency and Ethics." Dr. Sohini Chakraborti discussed the evolving role of journalists in the digital age, the importance of maintaining ethical standards, and strategies for effective reporting.

The one-day seminar on "Journalism Proficiency and Media Ethics" successfully achieved its objectives by offering valuable insights into the skills and ethical considerations essential for effective journalism. The event provided a platform for knowledge exchange and discussion, highlighting the importance of maintaining journalistic integrity in a rapidly changing media landscape.

One Day Seminar on Further Studies and Related Career Options organized by Career Counselling Cell

Date: 15.02.2019

Number of participants: 65

On February 15, 2019, the Career Counselling Cell, Vivekananda Mahavidyalaya, Burdwan organized a one-day seminar titled "Further Studies and Related Career Options" in collaboration with RICE Education, Burdwan. The seminar was designed to provide students with insights into various higher education opportunities and career pathways. The event aimed to assist students in making informed decisions about their academic and professional futures.

The seminar was organized with the objectives: To inform students about various options for further studies and advanced education, to explore different career paths and opportunities in various fields and to provide guidance on planning and preparing for future academic and career endeavours.

Resource persons elaborated on the topics like Exploring Postgraduate Programs: Options and Opportunities, Professional Certifications and Skill Development, coaching and preparation of competitive examinations for various government jobs.

The Q&A session allowed attendees to ask questions and seek advice from the speakers on specific concerns related to further studies and career planning. This interactive segment provided personalized guidance and practical tips.

The one-day seminar on "Further Studies and Related Career Options" successfully achieved its objectives by offering valuable information and guidance on higher education and career planning. The event provided students with the tools and knowledge needed to make informed decisions about their academic and professional futures.

One Day Seminar on The International Reception of Tagore organized by Department of Bengali Date: 20.02.2019

Number of participants: 83

Rabindranath Tagore is an exceptional figure not only in the Bengali literature but also in the history of world literature. He was extremely powerful writer. He strolled in all the sphere of life and was always observed in search of truth. He highlighted the ultimate mystery of life and did not mistake in his creations. This authenticity made him world famous poet. That is why all the men of the world like his writings.

There is an boundless spirit in his creations that helps us to overcome the Complex situation in our lines. As an example we can cite the name of Victoria Ocumpo of South America. Once she was fully broken down and lost his mental stability. No Latin American literature could give consolation in this time. English version of Geetanjali came to her hand in this crucial moment and she got immense assurance for the fact of continuing to exist in this world. On the other hand we can mention 'Rashier Chithi' where he has made a comparison between Russia and India in field of cultivation, education, lifestyle and so on and indicated the accurate measure of life. Therefore his reception was indispensable in the international field and discussion of it is now relevant.

International Mother Language Day organized by Department of Bengali Date: 21.02.2019

Number of participants: 79

International Mother Language Day, celebrated annually on February 21st, serves as a poignant reminder of the importance of linguistic and cultural diversity. The Department of Bengali at Vivekananda Mahavidyalaya, Burdwan, organized a seminar to honor this significant day, recognizing the role of mother languages in preserving cultural identity and promoting multilingualism.

The seminar was inaugurated by Dr. Sibaprasad Rudra, Principal, Vivekananda Mahavidyalaya, Burdwan. The seminar commenced with a welcome address by Dr. Ahana Biswas, Head of the Department of Sanskrit. Dr. Ahana Biswas highlighted the role of mother languages in maintaining cultural diversity and fostering unity among communities. Dr. Adhis Chandra Saha delivered key note address. An engaging discussion followed the presentations, where attendees shared their views and posed questions to the speaker. Topics ranged from practical measures for language preservation to the role of digital media in promoting mother languages.

The seminar on International Mother Language Day organized by the Department of Bengali at Vivekananda Mahavidyalaya was a resounding success. It provided valuable insights into the importance of mother languages, facilitated meaningful discussions, and celebrated the rich cultural traditions associated with them. The event served as a reminder of the need to continue supporting and preserving linguistic diversity in an increasingly globalized world.

Departmental Seminar Organized by Department of Botany

Date: 06.03.2019

Activity report on Student's Seminar, 2018-2019

Department of Botany
Vivekananda Mahavidyalaya, Burdwan

Date: 06/03/2019

Time: 11:00 am to 04:00 pm

Seminar platform: Offline

Organised by: Department of Botany, Vivekananda Mahavidyalaya

Number of presenters: 10

Purpose of the programme: Student enrichment programme, confidence building

Summary: The seminar was organised to nurture the presentation and communication skills of the students. The students were asked to choose different topics from their syllabus. Students were guided by the professors of the department of Botany. During the seminar, they presented and explained the topic of their choice. The students prepared charts of their topic. The presentation was followed by a 'Question and Answer' session where all the students actively participated. All seminar sessions were evaluated by the Professors of the Department of Botany. The professors encouraged the students a lot and gave positive feedback.

One Day Seminar organized by Department of English In collaboration with Dept of Philosophy On Basic Tenets of Western Philosophy

Date: 12.03.2019

1. Name of the Event: Seminar on "Basic Tenets of Western Philosophy" in Collaboration with Dept of Philosophy
2. Date: 12/03/19
3. Place: Seminar Hall
4. Resource person / Judges/ Faculty Members Present: Dr Samim Ahmed (Associate Professor, Belur RKM Vidyamandira)
5. Students Present: 52
6. Outcome of the Event:

The collaboration was a grand success. Students from both the departments participated enthusiastically. It was a very engaging session, not simply information wise, but also from the area of introspection and investigation into the domain of Western Philosophy- an enterprise that evokes interest not only in the students of Philosophy but also in the students of English literature. An incredibly relevant seminar too.

One Day Seminar on Banglar Aitiya, Itihas Charcha o Aitihasic Ramakanta Chowdhury organized by Department of History

Date: 28.03.2019

Number of participants: 113

ইতিহাস ও বাংলা বিভাগ মিলিতভাবে আলোচনা সভা বিষয়- বাংলা ঐতিহ্য ইতিহাস চর্চা ও ঐতিহাসিক রমাকান্ত চক্রবর্তী

বক্তা- ড. অচিন্ত্যদত্ত, ড. গিরিধারী সরকার

তারিখ- ২৮ মার্চ, ২০১৯

বাংলা আঞ্চলিক ইতিহাস চর্চায় রমাকান্ত চক্রবর্তী একটি গুরুত্বপূর্ণ স্তম্ভ।

ইতিহাস বলতে আমরা যে, রাষ্ট্রীয় ফ্রেম বুঝি তার বাইরে যে সামাজিক ইতিহাস, ধর্মীয় ইতিহাস ও নানাবিধ ইতিহাসচর্চার মধ্যে দিয়ে মানবিক জীবনকে পূর্ণাঙ্গভাবে অনুভব করা যায়, তার চর্চা আমাদের দেশে বেশ কম।

এই আলোচিত বিষয়টি নিয়ে গবেষণা করেছিলেন রমাকান্ত চক্রবর্তী। বাংলায় বৈষ্ণবদের ইতিহাসই ছিল তার মূল গবেষণার বিষয়। এর সঙ্গী হিসাবে তিনি বাংলার সংগীতের ইতিহাসেরও সন্ধান করেন। তিনি টপ্পার গায়ক নিধু বাবুর জীবনী 'বিস্তৃতদর্পণ' লিখেছেন। মধ্যযুগের ধর্মীয় সামাজিক ইতিহাস রচনায় রমাকান্ত চক্রবর্তী যে গবেষণা করেছিলেন, তার জন্য তিনি আনন্দ পুরস্কার লাভ করেন।

রাঢ় বাংলার সাংস্কৃতিক ইতিহাসও তিনি অনুসন্ধান করেছিলেন। বঙ্গ বৈষ্ণব ধর্মের ওপর গবেষণার পদ্ধতি হিসেবে তিনি শুধু পুথি, কাব্যগ্রন্থ ও নথিপত্রের উপর নির্ভর করেননি। বৈষ্ণব ধর্মের গুরুত্বপূর্ণ শ্রীপাট ও আখড়া সমূহের ক্ষেত্রসমীক্ষার মাধ্যমে তাঁর গবেষণা অত্যন্ত সজীব ও হৃদয়গ্রাহী হয়ে উঠেছিল।

সমাজ ও সংস্কৃতিকে ভালোভাবে জানলে রাজনৈতিক চেতনার জাগরণ ও স্বাধীনতা আন্দোলনের ইতিহাস বোঝা শক্ত এমনই ধারণা করতেন রমাকান্ত চক্রবর্তী। তাঁর অবদানকে বিবেকানন্দ মহাবিদ্যালয়ের ছাত্র-শিক্ষক সমাজ অতীব সম্মান জানায়।

Ramakanta Chakraborty: A Pillar in the Study of Bengali Regional History

Ramakanta Chakraborty is a significant figure in the study of Bengali regional history. While we often understand history within a state framework, which includes political history, social and religious histories, as well as other historical practices that offer a complete view of human life, such studies are relatively rare in our country.

Ramakanta Chakraborty conducted research on this very subject. His primary focus was the history of the Vaishnavas in Bengal. In conjunction with this, he also explored the history of Bengali music. He wrote the biography of the Tappa singer Nidhu Babu, titled *Bistriddarpan*.

For his work on the religious and social history of the medieval period, Chakraborty received the Anand Award.

He also investigated the cultural history of Rarh Bengal. As a method for researching Vaishnavism in Bengal, he did not solely rely on manuscripts, poetic texts, and documents. His research became particularly vivid and engaging through field surveys of important Vaishnava shrines and akharas.

Chakraborty believed that without a thorough understanding of society and culture, it is difficult to grasp the awakening of political consciousness and the history of the independence movement. His contributions are highly respected by the students and faculty of Vivekananda Mahavidyalaya.

One Day Seminar on Molecular Simulation: Strategy and Applications organized by Department of Chemistry

Date: 17.07.2019

Number of participants: 40

On July 17, 2019, the Department of Chemistry at Vivekananda Mahavidyalaya, Burdwan, organized a one-day seminar titled "Molecular Simulation: Strategy and Applications." The seminar was designed to provide a comprehensive overview of molecular simulation techniques, their strategies, and various applications in scientific research. The event was attended by students, faculty members, and professionals from the field of chemistry and related disciplines.

Dr. Rajib Biswas, a leading expert in computational chemistry, delivered the keynote address titled "Molecular Simulation: From Strategy to Application." Dr. Biswas provided an overview of molecular simulation techniques, including molecular dynamics, and their applications in studying complex molecular systems. The Q&A session provided attendees with an opportunity to ask questions and engage with the speakers on specific topics of interest. This segment facilitated deeper understanding and addressed individual concerns related to molecular simulations. The seminar received positive feedback from participants, who appreciated the detailed presentations and practical insights provided. Attendees found the sessions informative and relevant, particularly the discussions on applications in drug discovery and the integration of simulation with experimental data. The event provided a valuable platform for learning and discussion, highlighting the importance of molecular simulations in advancing scientific research.

AIDS awareness Seminar organized by NCC and IQAC

Date: 12.08.2019

Number of participants: 200

On August 12, 2019, Vivekananda Mahavidyalaya, Burdwan, hosted an AIDS Awareness Seminar organized jointly by the National Cadet Corps (NCC) and the Internal Quality Assurance Cell (IQAC). The seminar aimed to raise awareness about HIV/AIDS, its prevention, and the importance of supporting affected individuals. The event was attended by students, faculty members, and staff, and sought to foster a greater understanding of the epidemic and encourage proactive health measures.

Resource persons highlighted key points like: HIV/AIDS, its transmission, prevention, and treatment, addressed myths and misconceptions surrounding the disease, promote supportive attitudes towards individuals living with HIV/AIDS, and knowledge about available resources and support systems. The Q&A session provided an opportunity for attendees to ask questions, seek clarification on various topics, and engage in discussions with the experts. This segment helped address specific concerns and encouraged open dialogue about HIV/AIDS.

The event played a crucial role in raising awareness and fostering a proactive stance on HIV/AIDS prevention and support.

Three Days Science Awareness Camp on Popularization of Science for School Students and Society organized by Department of Physics and Chemistry

Date: 25.09.2019 - 27.09.2019

Number of participants: 150

A three day science awareness camp on “Popularisation of Science for School Students and Society” was held in our college from 25th to 27th September, 2019 . West Bengal State Council of Science and Technology has funded a sum of Rs. 1 lakh to organise the camp on 27.05.2019 in response to our proposal submitted on 01.02.2018 (resubmitted on 06.8.2018). Sixteen schools (Thirteen Bengali medium, two Hindi medium and one English medium) in the periphery of our college are selected to participate in the camp (names of schools are listed below). From each school maximum ten students of class XI/XII of science course and a teacher accompanying them are invited to attend the camp.

Resource persons from WBCST, Jadavpur University, Burdwan University and Visva-Bharati University were invited to deliver lectures on popular science based on the area of Physics, Chemistry, Botany, Zoology, Mathematics, Geography and Microbiology.

Many Schools of this region have inadequate science laboratory facility. Students used to come to the colleges (like ours) to pursue science degree course with poor knowledge in practical. In this camp, we wanted to show some demonstration experiments in Physics, Chemistry, Botany, Zoology and Microbiology which are included in their XI/XII syllabi but not available in their laboratory. In mathematics, computational methods using modern technology helped them to pursue career in future. In geography, we intend to show some instruments that are used in surveying purpose.

In brief, through this Science awareness camp we tried to develop their efficiency using the way of observation, experimental demonstration, analytical approach and hand-on experiments.

Welcome-kit, participation certificate, tiffin, lunch was provided to the students.

One Day Seminar on Sagore Je Agni Ache: Vidyasagarer Karma o Sahitya Sristir Bartaman Prasangikata organized by Department of Bengali Date: 30.09.2019

Number of participants: 34

সাগরে যে অগ্নি আছে : বিদ্যাসাগরের কর্ম ও সাহিত্য সৃষ্টির বর্তমান প্রাসঙ্গিকতা

ঈশ্বরচন্দ্রে বিদ্যাসাগরকে আমরা জানি বিধবাবিবাহ প্রচলন করার জন্য, বহুবিবাহ দূর করার জন্য। তিনি যে ঊনবিংশ শতকের একজন বিশিষ্ট বাঙালি শিক্ষাবিদ, সমাজ সংস্কারক ও গদ্যকার ছিলেন, তা আমরা সকলেই জানি। অসাধারণ দানবীর ছিলেন বলে তিনি 'দয়ার সাগর' বলেও পরিচিত ছিলেন।

এদিনের আলোচনার বিষয় ছিল বিদ্যাসাগরের শেষজীবনে তাঁর সমাজকর্ম। বর্ধমানে যে ম্যালেরিয়া মহামারীর আকার ধারণ করেছিল, সেখানে তিনি দাঁড়িয়েছিলেন হোমিওপ্যাথি চিকিৎসা নিয়ে। বাংলায় প্রচুর পরিমাণে মহিলা বিদ্যালয় তিনি প্রতিষ্ঠা করেন। শুধু বিদ্যালয় প্রতিষ্ঠায় নয়, সেখানে শিক্ষাকর্মসূচি, পাঠক্রম সবই তিনি তৈরি করেন।

শেষ জীবনে কর্মটানে তিনি জীবন কাটান। সেখানে সাঁওতালদের উন্নতিতে তিনি নিজেকে নিয়োগ করেন। সেখানে শিক্ষা থেকে আরম্ভ করে তাদের স্বাস্থ্য ব্যবস্থারও উন্নতিসাধন করেন। তাঁর জীবনীপাঠ সকলের অবশ্য পাঠ্য।

The Fire in the Sea: The Contemporary Relevance of Vidyasagar's Work and Literary Creation

Ishwar Chandra Vidyasagar is known for his efforts in promoting widow remarriage and eliminating polygamy. We are all aware that he was a prominent 19th-century Bengali educator, social reformer, and prose writer. Due to his extraordinary philanthropy, he was also known as the 'Ocean of Compassion'.

The focus of today's discussion was Vidyasagar's social work in his later years. During the malaria epidemic in Burdwan, he took a stand by advocating for homeopathic treatment. He established numerous schools for women in Bengal, not just founding them but also developing educational programs and curricula.

In his later life, he spent time in Karmatara, where he dedicated himself to the improvement of the Santhal community. He worked on enhancing their education and healthcare systems. His biographical study is essential reading for everyone.

One Day seminar on American Literature organized by Department of English

Date: 03.12.2019

1. Name of the Event: Departmental Seminar on "Lectures on American Literature"
2. Date: 3/12/2019
3. Place: Seminar Hall
4. Resource person / Judges/ Faculty Members Present: Dr Debayan Basu
(Assistant Professor, Surendranath College for Women, Kolkata)
5. Students Present: 59
6. Outcome of the Event:

It was a very engaging seminar. Various pertinent and relevant issues related to American Literature were closely addressed. The speaker Dr Debayan Basu very cogently brought forth the discussion of the Confessional School of Poetry and gave an extensive lecture on the same, predicating the context of Americanism in the various texts both prescribed and outside the syllabus. It was a tremendously edifying session.

Seminar on Gender Issues organized by Women Empowerment Cell and NSS unit

Date: 16.12.2019

Number of participants: 290

Gender issues continue to be a critical area of focus in contemporary society, influencing various aspects of individual lives and societal structures. On December 16, 2019, the Women Empowerment Cell, in collaboration with the NSS Unit of Vivekananda Mahavidyalaya, Burdwan, organized a seminar dedicated to exploring and addressing gender issues. The seminar aimed to foster understanding, raise awareness, and promote dialogue on gender equality and women's empowerment.

Objectives of the Seminar were to raise awareness about gender issues and challenges, to discuss the impact of gender inequality on various sectors, to promote strategies and initiatives for gender empowerment, and to provide a platform for open dialogue and exchange of ideas on gender-related topics.

The seminar began with a formal inauguration led by the Principal of Vivekananda Mahavidyalaya, Dr. Sibaprasad Rudra. Dr. Rudra emphasized the importance of addressing gender issues as fundamental to creating a just and equitable society. The session included the lighting of the lamp and a welcome address by the Coordinator of the Women Empowerment Cell. Resource persons delivered their presentation and a good interactive session followed.

The seminar on gender issues organized by the Women Empowerment Cell and NSS Unit at Vivekananda Mahavidyalaya was a significant event that addressed crucial aspects of gender equality and women's empowerment. Through insightful presentations, engaging discussions, and a vibrant cultural program, the seminar successfully highlighted the importance of addressing gender disparities and promoted collective efforts towards achieving gender justice.

International Webinar on Recent Advances in Chemistry organized by Department of Chemistry

Date: 15.07.2020

Number of participants: 112

The field of chemistry is continually evolving with new discoveries and technological advancements driving innovation in various applications. On July 15, 2020, the Department of Chemistry at Vivekananda Mahavidyalaya, Burdwan, organized an international webinar titled "Recent Advances in Chemistry" to explore the latest developments in the field. This virtual event brought together experts, researchers, and students from across the globe to share knowledge and discuss cutting-edge advancements in chemistry.

The webinar commenced with an inaugural session led by Dr. Sibaprasad Rudra, the Principal of Vivekananda Mahavidyalaya, welcomed the participants and emphasized the importance of staying abreast of recent developments in chemistry. The session also included introductory remarks by the Head of the Department of Chemistry, Dr. Tripathi. Dr. Ryan Trovitch, School of Molecular Science, Arizona State University, USA delivered key note address. Dr. Mahasweta Nandi, ISERC, Visva-Bharati, Santiniketan delivered second key note address.

The international webinar on "Recent Advances in Chemistry" organized by the Department of Chemistry at Vivekananda Mahavidyalaya was a highly successful and informative event. Through insightful keynote addresses, engaging talks, and interactive discussions, the webinar highlighted the latest developments in the field and provided valuable opportunities for networking and collaboration. The event underscored the dynamic nature of chemical research and its pivotal role in addressing contemporary scientific and societal challenges.

REPORT ON ONE DAY NATIONAL LEVEL WEBINAR ON RECENT ADVANCEMENT OF MATHEMATICS
ORGANISED BY
DEPARTMENT OF MATHEMATICS
IN COLLABORATION WITH
INTERNAL QUALITY ASSURANCE CELL
VIVEKANANDA MAHAVIDYALYA
HELD ON **10TH AUGUST 2020**

The Department of Mathematics, Vivekananda Mahavidyalaya, Purba Burdwan, successfully organised a one day “**National Level Webinar on Recent Advancement of Mathematics**” on 10th August 2020 in collaboration with IQAC, Vivekananda Mahavidyalaya.

With the official announcement of the webinar through various means of advertisement on 25th of July 2020, the Department of Mathematics has received a mind boggling response of 1296 until 8th of August 2020, which was marked last date of registration. The registration were made from all over India and also from outside india, out of which the largest section were from Student category.

The organising committee of the webinar comprises of the faculty member of the department, they are as follows :

- 1) Dr. Asim Mukhopadhyay, Associate Professor,
- 2) Dr. Anandamoy Mukhopadhyay, Associate Professor & HOD,

One Day Subcontinent Level Webinar on Recent Advances of Applied Mathematics organized by Department of Mathematics

Date: 31.08.2020

Report on Webinar

Yet another webinar during the COVID lockdown period was successfully organised by the department of Mathematics on 31st August 2020. The title of the seminar was “Subcontinental Level Webinar on Recent Advances of Applied Mathematics”.

The distinguished resource persons were invited for the webinar, which are listed below :

1. Dr. M Haider Ali Biswas, Professor, Department of Mathematics, Kulna University, Bangladesh.
2. Dr. Prabab K Mondal, Assistant Professor, Department of Mechanical Engineerint, IIT, Guwahati.
3. Dr. Amlan K Barua, Assistant Professor, Department of Mathematics, IIT Dharwad, India.

The number of participants registered was overwhelming with 1500 plus number of registration. Out of which 559 participated the webinar.

The full vedio is also available in our youtube channel: <https://youtube.com/live/1E-ILwCAumA>

Objective :

The main objective of the webinar was to disseminate among the upcoming students, the recent advancement of Mathematics on the topics like

1. Dynamic Optimization Technique in controlling the spread of contagious Epidemic zoonotic diseases.
2. The Art of Fluid Mechanics at Micro/ Nano scales.
3. Tree Codes : Fast summation techniques

Outcomes:

Out of 1500+ registration, 559 participated in the webinar session and with the energetic lecture of the Resource persons, the students and the faculty members present were enlightened and gained idea on the topics discussed in the session. The question answer session at the end of each lecture indicated that the participant fully enjoyed the lecture and has developed the problem solving skills of the participants.

International Webinar on Current Status & Future Prospects of World Economy due to Pandemic Situation organized by Department of Economics

Date: 28.09.2020

Number of participants: 50

The COVID-19 pandemic has had a profound impact on the global economy, triggering unprecedented economic challenges and transformations. On September 28, 2020, the Department of Economics at Vivekananda Mahavidyalaya, Burdwan, organized an international webinar titled "Current Status & Future Prospects of World Economy Due to Pandemic Situation" to explore and analyze the economic implications of the pandemic. The webinar aimed to provide a comprehensive overview of the economic disruptions caused by COVID-19 and to discuss strategies for recovery and future economic prospects.

The webinar commenced with an inaugural session led by Dr. Sibaprasad Rudra, the Principal of Vivekananda Mahavidyalaya, welcomed the participants and outlined the significance of the seminar in understanding the economic ramifications of the pandemic. The session included introductory remarks by Dr. Animesh Debnath, Head of the Department of Economics, who highlighted the relevance of timely discussions on economic recovery. Mr. Avinandan Chakraborty, USA, key note speaker talked on Covid-19 and Digital Drive. Dr. Sudakshina Gupta delivered lecture on "Reconsidering Sustainable Development in the Context of viral spread and climate change".

The international webinar on "Current Status & Future Prospects of World Economy Due to Pandemic Situation" organized by the Department of Economics at Vivekananda Mahavidyalaya was a valuable and timely event. Through engaging presentations, insightful discussions, and interactive sessions, the webinar provided a comprehensive overview of the economic impacts of COVID-19 and explored potential pathways for recovery and future economic development.

International Webinar on Recent Advancements in Biological Science organized by Department of Zoology

Date: 18.10.2020

REPORT ON ONE DAY INTERNATIONAL WEBINAR “RECENT ADVANCEMENTS IN BIOLOGICAL SCIENCE” 18th October, 2020 (Sunday) Department of Zoology, Vivekananda Mahavidyalaya, organized a one day webinar on “RECENT ADVANCEMENTS IN BIOLOGICAL SCIENCE” on 18th October, 2020 in Google meet platform. The webinar focused on the regeneration process of Zebra fish as a model and modern use of Artificial Intelligence and machine learning globally. Total registered participant was 225. The programme started at 5 pm with the welcome address by our honourable Principal; Dr. Sibaprasad Rudra followed by our beloved chief guest Mr. Kalyan Maji, Advocate and honourable G.B. Member of our college. First key note speaker was Dr. Subhra Prakash Hui, Assistant Professor and Head, S. N. Pradhan Centre for Neurosciences University of Calcutta. He highlighted the complex tissue regeneration process of Zebra fish and co relates its applicable process in future medicine, Genome editing and complex injury recovery process etc. Dr. Someshwar Singha, Convener and Head, Department of Zoology introduced him with our guest and students and also mentioned the research work and future plan of Dr. Hui. Second keynote speaker Dr. Sarbashis Das, Data Scientist, Ericsson AB, Sweden was introduced by Dr. Argha Khan, faculty, Department of Zoology. He enriched with his vivid illustration of application, future direction and role of newly introduced advanced techniques Artificial Intelligence and Machine Learning. The programme wrapped up around 8.00 pm. Both the key note speakers were freely interacted with the students and shared their knowledge for a long time. The vote of thanks was given by Mr. Shubhrajit Bhowmik, Convener and faculty member Department of Zoology.

Webinar on Future Possibilities after Doing Company Secretary organized by Career Counselling Cell

Date: 30.06.2021 95

Number of participants:

On June 30, 2021, the Career Counselling Cell organized a highly insightful webinar titled "Future Possibilities after Doing Company Secretary." This event aimed to explore the diverse career paths and opportunities available to professionals who have pursued a career as a Company Secretary (CS). The webinar provided a comprehensive overview of the roles, responsibilities, and future prospects for CS professionals in various sectors.

The primary objective of the webinar was to: Enlighten participants about the diverse career opportunities available to CS professionals, provide insights into the evolving role of Company Secretaries in different industries, offer guidance on career progression and professional development for CS aspirants.

The webinar included an interactive Q&A session where participants had the opportunity to ask questions and seek advice from the speakers. Key topics covered included:

- Tips for securing a job as a CS in a competitive market.
- The impact of global business trends on the role of CS professionals.
- Strategies for balancing multiple responsibilities in a CS role.

The webinar "Future Possibilities after Doing Company Secretary" was an enlightening session that provided valuable information and guidance for aspiring and current Company Secretaries. The insights shared by the expert speakers helped participants understand the vast career potential and professional growth opportunities in the field of company secretarial practices.

Webinar on Mega Career Awareness Programme on Career as Company Secretary (CS)

Date: 05.07. 2021

Number of participants: 135

On July 5, 2021, the Career Counselling Cell hosted a comprehensive webinar titled "Mega Career Awareness Programme on Career as Company Secretary (CS)." The event was designed to provide detailed information and insights into pursuing a career as a Company Secretary. The program aimed to raise awareness about the role of a CS, the qualifications required, and the career opportunities available in this profession.

The main objectives of the webinar were to:

Inform participants about the career path of a Company Secretary.

Explain the qualifications, skills, and training required to become a CS.

Discuss various career opportunities and the professional growth potential in the field.

The "Mega Career Awareness Programme on Career as Company Secretary (CS)" was an enlightening and informative event that provided valuable insights into the profession of Company Secretary. The expertise shared by the speakers offered participants a clear understanding of the career path, required qualifications, and the diverse opportunities available in this field.

The Career Counselling Cell extends its sincere thanks to the keynote speakers for their valuable contributions and to all attendees for their active participation. The success of this webinar underscores the importance of career awareness programs in guiding individuals towards informed career choices.

The poster is for a webinar organized by the Institute of Company Secretaries of India (ICSI) in association with Kandra Radhakanta Kundu Mahavidyalaya and Vivekananda Mahavidyalaya. The event is titled "Mega Career Awareness Programme On CAREER AS A COMPANY SECRETARY (CS)" and is held in August. It features a panel of speakers including Dr. Mrinal Kanti Chattopadhyay, Dr. Sibaprasad Rautra, CS Anika Dey, Dr. Tapas Kr. Roy, and Ms. Umita Banik Joarder. The poster also provides a Zoom meeting link and contact information for the organizers.

Celebration of Constitution Day Organized by Department of Political Science

Date: 26.11.2021

Number of participants: 43

On November 26, 2021, the Department of Political Science celebrated Constitution Day, marking the adoption of the Indian Constitution in 1949. The event aimed to honor the significance of the Indian Constitution, raise awareness about constitutional values, and engage students and faculty in discussions about the principles enshrined in the Constitution. The primary objectives of the Constitution Day celebration were to: Commemorate the adoption of the Indian Constitution and recognize its role in shaping the nation. Educate participants about the fundamental rights, duties, and the structure of the Indian Constitution and Foster a sense of constitutional patriotism and awareness among students and faculty. The celebration concluded with a pledge-taking ceremony where attendees recited the Preamble of the Indian Constitution. This was a symbolic gesture to reaffirm their commitment to the values of justice, liberty, equality, and fraternity. An interactive Q&A session allowed participants to engage with the speakers and panelists. Questions focused on the practical implications of constitutional provisions in everyday governance, the role of youth in upholding and advocating for constitutional values and Challenges faced in implementing constitutional ideals in various sectors. The Constitution Day celebration organized by the Department of Political Science was a successful and enriching event. It provided a platform for learning and reflection on the importance of the Indian Constitution and its impact on the nation's development.

One Day seminar on Press Laws and Ethics organized by Department of Mass Communication

Date: 25.03.2022

Number of participants: 40

An 'One day seminar' was held on 25/03/2022 conducted by Ashish Mondal on "Press Laws and Ethics"

Press laws are the laws concerning the licensing of books and the liberty of expression in all products of the printing-press, especially newspapers. The liberty of the press has always been regarded by political writers as of supreme importance. Give me liberty to know, to utter, and to argue freely according to conscience, above all other liberties.

Media ethics promotes and defends values such as a universal respect for life and the rule of law and legality. Media Ethics defines and deals with ethical questions about how media should use texts and pictures provided by the citizens.

One Day Seminar on Concepts and Challenges in Astronomy organized by Department of Physics

Date: 06.04.2022

A one day seminar on Astronomy and Astrophysics was organized jointly by the Department of Physics and IQAC in our college on 6th April, 2022 . Dr Debiprasad Duari, director of M P Birla Institute of fundamental research, Kolkata delivered a lecture entitled, ‘*Concepts and Challenges on Astronomy and Astrophysics*’. He presented a beautiful lecture using slide show regarding various facts of the universe that were unknown to us. He briefly discussed the structure of Sun many other stars, birth, death and future of some stars in a charming way. He told the audience to feel that ‘we’ the people live in this planet is merely an accident!

Principal of this institution Dr S P Rudra, president of governing body Sri P C Sarkar, teaching and non-teaching staff and about 150 students were present in the seminar. All the listeners got valuable information from this lecture which was not available in books or online media as well.

Students' Seminar on Romanticism organized by Department of English

Date: 20.04.2022

EVENTS / PROGRAMMES / SEMINARS ORGANISED BY THE DEPT. OF ENGLISH

VIVEKANANDA MAHAVIDYALAYA, EAST BURDWAN

1. Name of the Event: **Students' Seminar**
2. Date: 20.04.2022
3. Place: College Seminar Hall
4. Topic: **Romanticism**
5. Students Present: 67

Outcome of the Event: Organising Students' seminar is a regular event of the department. The sole purpose being a greater academic engagement and participation of the students. The topic, Romanticism, though a vast one, was very carefully arranged and organised by the students. They spoke in group; each group ascribed a specific aspect of Romanticism and a list of associated poets. The participation was maximum. And the faculty was pleasantly surprised to see many a student's otherwise shy, participate with much enthusiasm and aplomb.

One Day Seminar entitled Exploring the Career Opportunities in Government Sector and Unlock the Potential in You organized by Career Counselling Cell

Date: 30.07.2022

Number of participants:78

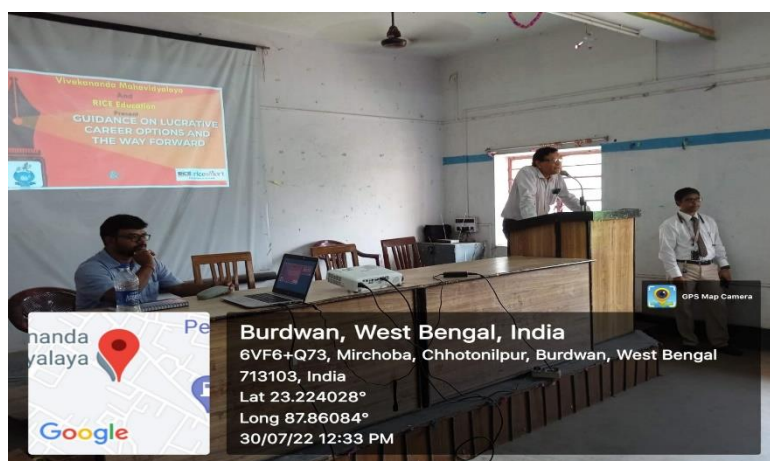

On July 30, 2022, the Career Counselling Cell organized a one-day seminar titled "Exploring the Career Opportunities in Government Sector and Unlock the Potential in You." The seminar was designed to provide students and job seekers with insights into career opportunities within the government sector and to inspire them to realize their full potential in this field.

The primary objectives of the seminar were to:

Explore various career paths available in the government sector.

Provide practical advice on navigating the recruitment process and succeeding in government jobs.

Encourage participants to identify and harness their strengths and potential for career growth. Speakers talked about Overview of Government Sector Careers, Recruitment Process and Strategies, Unlocking Your Potential. An engaging Q&A session allowed participants to ask questions and seek advice from the speakers. Key topics included: Navigating career challenges and setbacks, Balancing academic and professional commitments while preparing for government exams, Insights into emerging trends and opportunities within the government sector. The seminar "Exploring the Career Opportunities in Government Sector and Unlock the Potential in You" was a highly informative and motivational event. It equipped participants with valuable knowledge about government careers, provided practical guidance on the recruitment process, and inspired them to harness their potential for career success.

রবীন্দ্র প্রয়াণ দিবস

রবীন্দ্রনাথ ঠাকুর, বিশ্বের শ্রেষ্ঠ ভাবুক, ভারতবর্ষের শ্রেষ্ঠ কবি-সাহিত্যিক এবং শিক্ষা ও পল্লী সংগঠক। বাঙালির জীবন রবীন্দ্রনাথ ছাড়া অচল। এই কবি ৮০ বছর বয়সে ৩০ জুলাই ১৯৪১ সালে জোড়াসাঁকোর বাড়িতে শেষ নিঃশ্বাস ত্যাগ করেন।

কবির প্রিয় ঋতু ছিল বর্ষা। এই বর্ষাতেই গোটা দেশবাসীকে নিঃশ্ব রিক্ত করে তিনি চলে গিয়েছিলেন।

রবীন্দ্রনাথের কাব্যে মৃত্যুর প্রসঙ্গ এসেছে নানাভাবে। জীবদ্দশায় মৃত্যুকে তিনি জয় করেছেন বারবার। অল্পবয়সে তাঁর মা মারা যান, তারপর যৌবনের প্রাক্কালেই আসে তাঁর প্রিয়তম বৌদি কাদম্বরী দেবীর মৃত্যু। ৪১ বছর বয়সে তিনি তাঁর স্ত্রীকে হারান। তাঁর দুই কন্যা ও এক পুত্র এবং নাতিকেও তিনি হারান। মৃত্যুকে তাই তিনি নানাভাবে কবিতার মধ্যে প্রকাশ করেছেন। রবীন্দ্রপ্রয়াণদিবস আমরা পালন করি, রবীন্দ্রনাথকে গভীরভাবে অনুভব করার জন্য। এই উপলক্ষে তার জীবন এবং তার রচনাকে আমরা বারবার স্মরণ করি।

মানুষের জীবনে মৃত্যু স্বাভাবিক একটি পরিণতি। কিন্তু আমরা তা সহজে মেনে নিতে পারি না। রবীন্দ্রনাথ এ বিষয়ে আমাদের দিশা দেখিয়েছেন। মৃত্যুশয্যাতেও তিনি মুখে মুখে যে কবিতা রচনা করেছেন তাও অসাধারণ সুখমামুদিত।

"তোমার সৃষ্টির পথ রেখেছো আকীর্ণ করি

বিচিত্র ছলনাজালে হে ছলনাময়ী।"

Rabindranath Tagore, the greatest thinker in the world, was India's finest poet, writer, educator, and rural organizer. The life of Bengalis remains incomplete without Rabindranath. The poet breathed his last at the age of 80 on July 30, 1941, at his residence in Jorasanko.

The poet's favorite season was the monsoon. It was during this monsoon that he departed, leaving the entire nation bereft and desolate.

In Tagore's poetry, the theme of death appears in various forms. Throughout his life, he faced death repeatedly. His mother passed away at a young age, followed by the death of his beloved sister-in-law, Kadambari Devi, before he reached middle age. At 41, he lost his wife, and he also outlived his two daughters, a son, and a grandson. Thus, he expressed death in many ways through his poetry. We observe Rabindranath's Death Anniversary to deeply reflect upon his life and work. On this occasion, we remember his life and his creations repeatedly.

Death is a natural outcome in human life. However, accepting it is not easy for us. Rabindranath has shown us a way in this regard. Even on his deathbed, the poetry he composed was remarkably balanced and profound.

Celebrating 75th Years of Indian Independence (Azadi ki Amrit Mohotsav) organized by IQAC

Date: 13.08.2022 - 15.08.2022

Number of participants: 150

The Azadi Ka Amrit Mahotsav is a nation-wide celebration marking 75 years of India's independence. To contribute to this historic commemoration, the Internal Quality Assurance Cell (IQAC) of Vivekananda Mahavidyalaya, Burdwan, organized a three-day seminar from August 13 to August 15, 2022. This seminar aimed to foster a deeper understanding of India's journey to independence and its post-independence achievements.

On first day the programme commenced with an opening ceremony led by the Principal of Vivekananda Mahavidyalaya, who welcomed the attendees and outlined the objectives of the seminar. The ceremony featured the lighting of the lamp, followed by a rendition of the National Anthem. Various activities like drawing competition, extempore competition, poster making etc. were arranged with active participation of the students.

The three-day programme organized by the IQAC of Vivekananda Mahavidyalaya successfully commemorated the 75th year of India's independence. It achieved its objectives of educating and inspiring participants about India's historical journey and contemporary achievements. The event fostered a sense of national pride and encouraged students to contribute positively to the nation's progress.

The programme was a testament to the institution's commitment to celebrating important national milestones and enhancing the educational experience of its students.

One day seminar on Online Journalism: A New Horizon organized by Department of Mass Communication

Date: 16.09.2022

Number of participants: 52

An 'One day seminar' was held on 16/09/2022 delivered by Soumya Bandopadhyay about "Online Journalism: A New Horizon"

Digital journalism, also known as 'netizen journalism' or online journalism is a contemporary form of journalism where editorial content is distributed via the Internet, as opposed to publishing via print or broadcast. What constitutes digital journalism is debated by scholars; however, the primary product of journalism, which is news and features on current affairs, is presented solely or in combination as text, audio, video, or some interactive forms like storytelling stories or news games, and disseminated through digital media technology.

One Day Seminar on Importance of IPR and Procedure for Filing Patent organized by IQAC

Date: 27.09.2022

Number of participants: 90

On September 27, 2022, the Internal Quality Assurance Cell (IQAC) of Vivekananda Mahavidyalaya, Burdwan, organized a one-day seminar titled "Importance of IPR and Procedure for Filing Patent." The seminar aimed to educate participants about Intellectual Property Rights (IPR) and the patent filing process, providing valuable insights into protecting and leveraging intellectual assets.

The seminar was inaugurated with a welcome address by the Principal of Vivekananda Mahavidyalaya. The opening remarks highlighted the importance of IPR in today's knowledge-driven economy. Dr. Sanjib Kumar Chakraborty, The West Bengal National University of Juridical Sciences, Kolkata was the Key note speaker, provided an in-depth overview of IPR, emphasizing its role in fostering innovation and protecting creative and intellectual outputs. His talk covered various forms of intellectual property, including patents, copyrights, trademarks, and trade secrets. The seminar concluded with a Q&A session where participants had the opportunity to ask questions and clarify doubts with the speakers. The interactive session facilitated a deeper understanding of the topics discussed. The event was a valuable educational experience, fostering a greater understanding of how to protect and manage intellectual assets effectively.

One Day Seminar on Geophysical techniques for Uranium exploration organized by Department of Physics

Date: 16.11.2022

Number of participants:25

A one day seminar on Nuclear Energy was organized by the Department of Physics in our college on 16th November, 2022. Mr Hironmay Mondal, scientific officer-E, Atomic minerals directorate for exploration and research, Southern region, Bangalore delivered a lecture entitled 'Geophysical techniques for uranium exploration'. The whole world is searching for alternative source of energy instead of conventional energy. Nuclear energy is a non-conventional energy with zero-emission. India has set ambitious goals, aiming to generate 9% of its electricity from nuclear sources by 2047. Nuclear power plants use uranium as fuel for nuclear fission to produce heat and generate electricity.

Students of 1st, 3rd and 5th Semester physics major attended the seminar.

One day seminar on Creative Writing and reporting for Print Media organized by Department of Mass Communication

Date: 23.12.2022

Number of participants: 44

An 'One day workshop' was held on 23/12/2022 conducted by Partha Choudhary on "Creative Writing & Reporting for Print Media".

Creative writing is any writing that goes outside the bounds of normal professional, journalistic, academic, or technical forms of literature, typically identified by an emphasis on narrative craft, character development, and the use of literary tropes or with various traditions of poetry and poetics. Due to the looseness of the definition, it is possible for writing such as feature stories to be considered creative writing, even though it falls under journalism, because the content of features is specifically focused on narrative and character development. Creative writing can technically be considered any writing of original composition. In this sense, creative writing is a more contemporary and process-oriented name for what has been traditionally called literature, including the variety of its genres.

Students Seminar organized by Department of Physics

Date: 04.01.2023

Number of participants: 17

On January 4, 2023, the Department of Physics at Vivekananda Mahavidyalaya, Burdwan, organized a Students Seminar aimed at providing a platform for students to present their research findings, projects, and academic insights. This event was designed to foster academic growth, enhance presentation skills, and encourage peer learning among students.

The seminar was arranged with the following objectives in mind: To provide students with an opportunity to present their research and projects, to develop and enhance students' public speaking and presentation skills, to facilitate academic exchange and peer feedback, to encourage students to engage in independent research and critical thinking.

The seminar was inaugurated with a welcome address by the Head of the Department of Physics. The Principal of Vivekananda Mahavidyalaya and other faculty members were present to encourage the participants. The ceremony included the lighting of the lamp and a brief overview of the seminar's goals. After that students presented seminar on various topics related to physics. Each presentation was followed by a Q&A session where attendees could ask questions and provide feedback. The presentations covered a range of subjects including experimental physics, theoretical studies, and recent advancements in the field.

LORENTZ TRANSFORMATION EQUATIONS

Let us consider two inertial frames S and S' such that S is at rest and S' move relative to S with uniform velocity v along X-X' axis. It is assumed that the origins of two frames O and O' coincides initially when $t=t'=0$. In S frame the coordinate of an event p is measured by x,y,z,t and the same in S' is measured by x',y',z',t' . This works on the basis of Einstein's postulates of special theory of relativity. The Lorentz transformation equations are as follows:

$$t' = \gamma \left(t - \frac{vx}{c^2} \right) \quad \gamma = \left(1 - \frac{v^2}{c^2} \right)^{-1/2}$$

One Day Seminar on guiding students for future plan organized by Department of English

Date: 04.01.2023

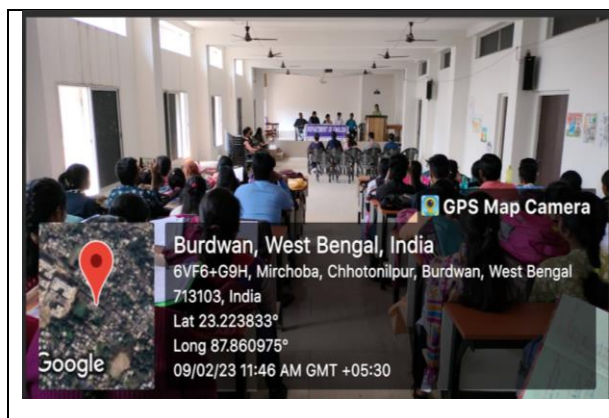

EVENTS / PROGRAMMES / SEMINARS ORGANISED BY THE DEPT. OF ENGLISH

VIVEKANANDA MAHAVIDYALAYA, EAST BURDWAN

1. Name of the Event: **Student's Seminar**
2. Date: 09.02.2023
3. Place: Seminar Hall
4. Students Present: 65

Outcome: The topic was a very relevant one, for Classical Literature are now but an essential enquiry to investigate the various aspects of classical literary texts. The seminar adequately brought to the fore the practical usage of the various theories prescribed in the syllabus. The presentations came as a comforting assurance to the faculty, it showed how the students have successfully assimilated the various nuances of these theories and applied in understanding literary texts. The eclectic nature of literature thus was sufficiently deciphered and presented. It was a very engaging session.

One Day Seminar on Career orientation for Sanskrit Students organized by Department of Sanskrit

Date: 06.01.2023

Number of participants: 140

Vivekananda Mahavidyalaya,
Burdwan Department of Sanskrit
Seminar Report
Academic Session – 2022-23

An One Day Seminar had been held on 6th January 2023 at The Department of Sanskrit, Vivekananda Mahavidyalaya, Burdwan on the Topic of “ Career Orientation for Sanskrit Students”. Prof. Vivek Karmakar, Assistant Professor of Sanskrit, Scottish Church College, Kolkata are invited as Resource Person in this Seminar. Prof. Vivek Karmakar has presented his view through Power Point Presentation and gave too much information regarding the Placement of Sanskrit Students in Various Sectors. The Teachers of our Department had Expressed their self experiences and the journeying in their life for the service in Education Sector. All Participants are very appreciated in the presentation of Honourable Speaker. We, All the Teachers and Students of the Department of Sanskrit are very Grateful at the Honourable Speaker Prof. Vivek Karmakar for present in this Seminar. The details of this Seminar are given below.

One day seminar on Cinematic Editing organized by Department of Mass Communication

Date: 03.02.2023

Number of participants: 49

An 'One day seminar' was held on 03/02/2023 conducted by Suwendu Sain on "Cinematic Editing".

Film editing is both a creative and a technical part of the post-production process of filmmaking. The term is derived from the traditional process of working with film which increasingly involves the use of digital technology. When putting together some sort of video composition, typically, you would need a collection of shots and footages that vary from one another. The act of adjusting the shots you have already taken, and turning them into something new is known as film editing or cinematic editing.

One Day Seminar on From Lab to Nano World: Synthesizing and Probing Nanomaterials organized by Department of Physics Date: 08.02.2023

Number of participants:25

A one day seminar on Nanotechnology was organized by the Department of Physics in our college on 8th February, 2023. Dr Ankuravo Sinha, assistant professor of Magadh University, Bihar delivered a lecture entitled, 'Synthesizing and probing nanomaterials'. Nanomaterials exists in nature, can also be synthesized from products such as minerals and carbon in the laboratory. He discussed different techniques for synthesizing and probing nanomaterials in an elaborate way using slide show. This topic is included in CBCS syllabus as an optional paper. But this is a topic of interest nowadays as it find application in medicine, engineering, catalysis and environmental remediation etc. Students of physics honours of all three years were present in the seminar. All have enjoyed the seminar and get enriched.

One Day Seminar cum workshop on NAAC Assessment and Accreditation Process organized by IQAC

Date: 11.02.2023

Number of participants: 52

On February 11, 2023, the Internal Quality Assurance Cell (IQAC) of Vivekananda Mahavidyalaya, Burdwan, organized a one-day seminar-cum-workshop on "NAAC Assessment and Accreditation Process." The event aimed to provide comprehensive guidance on the National Assessment and Accreditation Council (NAAC) process, which is crucial for ensuring and enhancing the quality of higher education institutions.

The seminar-cum-workshop commenced with an opening ceremony led by the Principal of Vivekananda Mahavidyalaya, who welcomed the attendees and introduced the objectives of the event. The ceremony included the lighting of the lamp. Dr. Sukanta Bhattacharjee, Principal, Mankar college, was present as speaker. Dr. Bhattacharjee provided an overview of the NAAC assessment process, including the key criteria and standards used for accreditation. The keynote address covered the benefits of accreditation and the impact it has on institutional quality and reputation.

The event was well-received, with active participation and engagement from attendees. The practical knowledge and skills gained from the seminar will be valuable in enhancing the institution's quality assurance practices and preparing for future accreditation evaluations.

One Day Seminar on Biodiversity of West Bengal organized by Department of Botany

Date: 06.03.2023

Number of participants: 57

On March 6, 2023, the Department of Botany at Vivekananda Mahavidyalaya, Burdwan, organized a one-day seminar titled "Biodiversity of West Bengal." This seminar aimed to highlight the rich and diverse flora and fauna of West Bengal, exploring various aspects of its biodiversity and the importance of conservation efforts.

The seminar was inaugurated with a welcome address by the Head of the Department of Botany. The Principal of Vivekananda Mahavidyalaya and other distinguished guests were present. The ceremony included the lighting of the lamp and a brief overview of the seminar's objectives.

Sri Mainak Pal, Biodiversity Expert, provided a comprehensive overview of the biodiversity of West Bengal, highlighting its rich variety of plant and animal species. The keynote address covered the ecological significance of different habitats and the challenges faced in conserving biodiversity in the region.

International Conference on Life and Environment: Issues and Concern organized by Department of Botany

Date: 09.03.2023

REPORT ON ONE DAY INTERNATIONAL CONFERENCE "LIFE AND ENVIRONMENT: ISSUES AND CONCERN" on 9th MARCH 2023

Department of Botany of Vivekananda Mahavidyalaya, Burdwan organized a one day international conference on "Life and Environment: Issues and concern" on March 09, 2023 in seminar hall. The seminar focused on current status of environment and the challenges faced by lives.

The programme started at 10:30 am with the garlanding on the murti of Swami Vivekananda by our respected Principal sir Dr. Sibaprasad Rudra, all the dignitaries and teachers of our college. The dignitaries on the dias were Prof. Abhijit Bandyopadhyay, The University of Burdwan, Prof. Sikha Dutta, The University of Burdwan, Prof. Rajib Bandyopadhyay, The University of Burdwan, Dr. Aparna Banerjee, Universidad Católica del Maule, Talca, Chile, Dr. Shrabana Sarkar, Universidad Católica del Maule, Talca, Chile.

Inauguration programme

Opening remarks and introduction of the programme was given by Dr. Sibaprasad Rudra. He highlighted the current status of the environment and their root causes. He also pointed out the challenges of our society to overcome such problems. He mentioned that human health and well-being are immensely linked to the state of environment. Environmental conditions affect human health, well-being and other quality of life aspects both directly and indirectly. He also welcomed all research experts and expressed his gratitude for the Convenor, joint convenor and IQAC convenor for organizing a seminar on a theme, relevant to societal need.

Welcome notes by Principal

In this seminar, a leaflet, book mark and the abstract were inaugurated by our respected delegates. By this program we wanted to spread awareness of the life threatening impacts of pollution on environment.

Inauguration of Abstract, Leaflet and Bookmark

Interested faculty and students from different parts of our country like Kashmir, Kanyakumari, Tamil Nadu, Tiruchirappalli, Uttarakhand, Hyderabad, Rajasthan, Telangana, Karnataka, Raipur, Chhattisgarh, Nagpur, Maharashtra and West Bengal were invited in seminar. Nearly all section of science, social science and humanities departments have contributed documents in this auspicious occasion.

Participants of the conference

The key note address was given by Prof. Abhijit Bandyopadhyay, Professor, Department of Botany, University of Burdwan. He talked about the current time period (Anthropocene) has been marked by significant changes caused by human activities provoking accelerated rate of

biodiversity loss and species extinction along with phenomenal alterations in chemical/physical composition of the atmosphere, soils and oceans. He also explains how human societies respond to emerging changes during this Anthropocene with respect to their religions, diets and health issues.

Key note address by Prof. Abhijit Bandyopadhyay

Dr. Aparna Banerjee, Assistant Professor of Universidad Católica del Maule, Talca, Chile talked about how bacteria surviving in different limits of life can positively influence the food industry with possible future application to address the essential industrial necessities around the world. The unique geological features around the world provides natural laboratory to study microbiology of extreme environments. She also discusses on the bacterial adaptations in harsh environments which often make the production of value-added bioactive compounds or favourable symbiosis resulting improved biotechnological applications.

Lecture session of Dr. Aparna Banerjee

Prof. Sikha Dutta, Professor, Department of Botany, University of Burdwan delivered a brief discussion on endophytism, including the multiple beneficial aspects of host-endophyte interactions, exploring the importance of these associations in agriculture, industry, pharmacy and the environment.

Felicitation by our students

Dr. Shrabana Sarkar, Universidad Católica del Maule, Talca, Chile has discussed on thermotolerant microorganisms and their unique feature of different heavy metal tolerance like, arsenic, mercury, cadmium, uranium, iron etc. which have wide biotechnological applications in different sectors, like bioremediation, agriculture.

Prof. Rajib Bandyopadhyay, Department of Botany, University of Burdwan, highlighted that global environment is changing rapidly due to anthropogenic activities such as burning of fossil fuels, deforestation and industrialization which lead to an increase in greenhouse gases and global warming.

Interaction during poster session

Finally, the Poster session was held in the botany departmental premises at 02.30 onwards. In this session, the posters were presented by the students, research scholars coming from different universities and faculty members of various colleges. Prof. Sikha Dutta and Prof Rajib Bandyopadhyay interacted with the students and appreciated their work. One expert evaluation team was selected from external member from the University as well as senior faculty member from science and humanities group. Best poster of this presentation session from both faculty and student group were awarded.

At the end of the valedictory session several issues were raised which were critically interact our respected external members as well as from convenor and co-convenor desk. All the participants were satisfied from our conference theme, management as well as our hospitality.

Special Lecture on Sustainable Development Communication

Date: 30.03.2023

Number of participants: 47

On March 30, 2023, Vivekananda Mahavidyalaya, Burdwan, hosted a special lecture on "Sustainable Development Communication." The lecture aimed to shed light on the role of effective communication in promoting and achieving sustainable development goals. The event was designed to provide insights into how communication strategies can support sustainability initiatives and foster greater community engagement.

The special lecture commenced with a welcome address by the organizing committee. The Principal of Vivekananda Mahavidyalaya and other dignitaries were present to inaugurate the event. The ceremony included a brief introduction to the significance of sustainable development communication.

Mr. Jahangir Hossain, delivered an engaging lecture on the importance of communication in achieving sustainable development goals (SDGs). The lecture covered various aspects of sustainable development communication, including the challenges of conveying complex sustainability issues, the use of digital media, and the role of storytelling in promoting sustainability.

The special lecture on "Sustainable Development Communication" at Vivekananda Mahavidyalaya was a successful and impactful event. It effectively highlighted the critical role of communication in advancing sustainable development and provided attendees with practical tools and strategies to enhance their communication efforts.

The engagement of the audience and the expertise of the speakers contributed to a productive and informative session. The insights gained from the lecture will support participants in integrating sustainability principles into their communication practices and contribute to the broader goal of achieving sustainable development.

One Day Seminar on Handling of healthcare waste and its disposal organized by Department of Microbiology in collaboration with Women Empowerment Cell

Date: 03.05.2023

Number of participants: 29

On May 3, 2023, the Department of Microbiology, in collaboration with the Women Empowerment Cell of Vivekananda Mahavidyalaya, Burdwan, organized a one-day seminar on "Handling of Healthcare Waste and Its Disposal." The seminar aimed to address the critical issue of healthcare waste management, focusing on safe handling, disposal practices, and the environmental and health implications of improper waste management.

Miss Silpi Hazra, Lecturer, Rasulpur Protik Nursing Institution, Bankura addressed the audience as main speaker. Miss Hazra delivered a comprehensive overview of healthcare waste management, discussing its importance, the types of healthcare waste, and the potential risks associated with improper disposal. The address highlighted the need for effective waste management practices to protect public health and the environment. Also discussed various disposal techniques for healthcare waste, including incineration, autoclaving, and chemical disinfection. The session also covered regulatory requirements and guidelines for healthcare waste disposal, emphasizing compliance with national and international standards.

The event was well-received, with active participation and engagement from attendees. The insights gained from the seminar will contribute to improved waste management practices and enhanced awareness of environmental and health issues associated with healthcare waste

One Day Seminar on Advancements in Geography - Era of Remote sensing GIS organized by Department of Geography Date: 24.06.2023

Number of participants: 70

On June 24, 2023, the Department of Geography at Vivekananda Mahavidyalaya, Burdwan, organized a one-day seminar titled "Advancements in Geography: Era of Remote Sensing and GIS." This seminar aimed to explore the latest advancements in the fields of Remote Sensing and Geographic Information Systems (GIS) and their applications in contemporary geography and environmental management.

The seminar began with a formal inauguration led by the Head of the Department of Geography. The Principal of Vivekananda Mahavidyalaya and other esteemed guests were present. The ceremony included the lighting of the lamp and a brief introduction to the significance of Remote Sensing and GIS in modern geography.

Dr. Lokesh Kumar Tripathi, Associate Professor & Head Department of Geo-Informatics Sangam University, Bhilwara, delivered the key note address. Dr. Tripathi provided an insightful keynote address on the transformative impact of Remote Sensing and GIS technologies in geography. The address covered the evolution of these technologies, their current applications, and emerging trends that are shaping the future of geographical research and environmental monitoring. His lecture also focused on the latest advancements in Remote Sensing technologies, including satellite imaging, aerial surveys, and sensor technologies. The session highlighted recent innovations, such as high-resolution imaging and hyperspectral sensors, and their applications in various fields, including agriculture, urban planning, and disaster management.

The engagement of the audience and the expertise of the speakers contributed to a productive and insightful session. The knowledge gained from the seminar will support participants in leveraging Remote Sensing and GIS technologies for their research and professional activities in the field of geography.
