5.3.2 Sports and Cultural Programs

Sports Activity for the Academic Year 2018-2019

Vivekananda Mahavidyalaya, East Burdwan is the centre for games, sports, and recreational activities. The College has taken initiative to improve the quality as well as quantity of sports. Every year our college organizes indoor games, and annual sports meet. In addition, our students participated in various prestigious sports events within the district.

VISION:

- To access sports as a fundamental right to all.
- To promote health and fitness among the students.
- To bring out talented sportspersons.
- To develop relationships with students, teachers, and non- teaching staff through sports.
- To enhance the quality of sports performance.

During winter our college arranges Annual Sports Meet once in every year. This year we organized our Annual sports on **21st and 22nd February 2019** at our college ground, popularly known as Chaigada Math. Majority of the students and the teaching and nonteaching staffs participated in various events with high enthusiasm. Our annual sports started with a welcoming note by the honourable principal Dr. Sibaprasad Rudra, followed by flag hoisting, singing of the National Anthem, and oath-taking by the students.

At the end of the Sports meet top three contestants from each category were awarded with prizes and Certificates. The awards were handed over by our Principal, Convenor of Sports Committee, Teachers, and Non-Teaching Staffs. Overall our Annual Sports meet turned out to be a successful and memorable one.

Report of the Event: A women's self defence program was organised by the department of Political Science in collaboration with the women empowerment cell of our college to create awareness among girl students. This program was staged on 28/9/18 in the Old Seminar Hall by the department of POLITICAL SCIENCE. About 48 students and 11 teachers including the Principal of this esteemed college were present.

International SOTOKAN ORGANISATION visited the college to exhibit the show. Our student Maitri Mondal, karate Black Belt champion and three times gold medal winner demonstrated the techniques and encouraged the students to help themselves in times of necessity.

Ms. Mandira Mitra an associate member of this association addressed the girl students and said that the girls face many complex challenges in the present-day society with atrocities and violence against them. She urged the students to be on the alert always and take care of their physical fitness by consuming nutritious food and cultivating healthy habits and regular physical exercises.

Maitri Mondal captivated the audiences by demonstrating several Karate Marshall Art Techniques as part of self-defence. She also said that. Self Defence training is a life skill that helps girl to be more aware of their surroundings and be prepared for the unexpected at any time. Through the defence training the girls are taught to become psychologically, intellectually and physically strong enough to protect themselves in times of necessity and distress.

Department of Philosophy, Freshers' Welcome On 27/09/2018

On 27/09/2018, the department of Philosophy, Vivekananda Mahavidyalaya organized an enthusiastic freshers' welcome event for the new under-graduate students. The event aimed to warmly welcome the newcomers and help them integrate into the department as well as into the college community. The event commenced with a welcome address by Prof. Ananda Mohan Sarkar, the Head of the Department. He greeted the freshers, introduced them to the college culture and encouraged them to spend these three years to the fullest. Ice-breaking activities were conducted to help the freshers get to know each other and build new friendships. The event featured a variety of cultural performances by senior students, such as, dance performances (by Purnima Ghosh, Shraboni Karmakar), musical renditions (by Ranjana Majumder, Papiya Hensh) and recitations (by Sanjoy Majhi, Surojit Roy). Faculty members were introduced to the freshers and each faculty member shared words of wisdom and encouragement. Then freshers were invited to showcase their talents like singing, dancing, reciting etc. Refreshments were served providing an opportunity for freshers' to interact with their seniors and faculty in an informal atmosphere. This helped in building connections and easing the transition into the college life. The program concluded with a sense of belonging and looking forward to a productive and enjoyable academic journey.

Report on publication of Wall Magazine “KOROK”-2019

Department of Botany, Vivekananda Mahavidyalaya

Date of display: 09.01.2019

The purpose of the wall magazine is to be a device to induce people to read any important message. Wall magazines are great way to encourage the creativity in students for conveying ideas. It also helps the students to do research on topics before making the copy to be published in the magazine. All the students of three year Honours participated in the event. The students chose a theme for each year and based on the theme, they submitted articles, charts and drawings to be displayed on the wall magazine. All the students participated with great enthusiasm and the event was a great success.

SARASWATI PUJA, 10th February, 2019

Like every year, the college celebrated the Saraswati Pujo with much aplomb. The students take the onus of decorating the college premises with beautiful 'alpona' and handcrafted decorations. The two-day festival is a wonderful way of instilling a sense of engagement and a ritualistic fervor amongst the students. 'kichuri bhog' is served on the second day to all students and teachers, and also to the students of other colleges who come to visit.

Saraswati Puja on 29th January 2020

Like every year, the students did a wonderful job decorating the pandal and the college premises. The puja was held on the 29th and 'prasad' was distributed to all who attended or visited. Teachers too participate enthusiastically in the occasion. On the 30th 'bhog prasad' was served to all the students and the teachers, and staff members of the college, and also to those who came to visit from other colleges.

Saraswati Puja 16.02.2021

Like every year, this year too the day was celebrated with much enthusiasm. The students did a splendid job decorating for the Puja. A beautiful 'pratima' was enshrined on a beautiful pandal, all of which, was once again, done by the students. Like every year, the festival was celebrated for two consecutive days. 'Bhog Prosad' was distributed to all who attended.

Report on publication of Wall Magazine “KOROK”-2022

Department of Botany, Vivekananda Mahavidyalaya

Date of display: 19/01/22

The purpose of the wall magazine is to be a device to induce people to read any important message. Wall magazines are great way to encourage the creativity in students for conveying ideas. It also helps the students to do research on topics before making the copy to be published in the magazine. All the students of three-year Honours participated in the event. The students chose the theme “**Biodiversity**” for this year and based on the theme, they submitted articles, charts and drawings to be displayed on the wall magazine. All the students enthusiastically participated, and the event was a great success.
