1. Administration

Website management & Dashboard

The College has developed website for convenience of administrative activities. E-copies of all letter, notice, tender, etc. are uploaded in the website through admin in real-time. This enables the administrative offices and the viewers to trace files and find previous activities.

The image shows two screenshots of the Vivekananda Mahavidyalaya website. The top screenshot displays the 'ADMINISTRATOR LOGIN' page with fields for username and password, and 'Login' and 'Back' buttons. The bottom screenshot shows the main dashboard with a navigation menu. The 'Admin' dropdown menu is open, listing various administrative functions such as 'Manage User', 'Add Dept. Profile', 'Manage Notice', 'Manage Latest News', 'Manage Front Slides', 'Event Gallery', 'Recent Publication', 'Manage E-Resource', 'Manage Class Routine', 'Departmental Photo Gallery', and 'Manage Repository'. A 'Part-3' button and a 'Cancel All' button are also visible in the dashboard area.

Online feedback system

Feedback is taken online throughout the year from students, teachers, parents, alumni, and experts and employers from industry, university and other colleges who visit our college. Students can give online feedback on existing curriculum, introduction of new subjects, institutional facilities, library and teaching performance of individual teachers in respective departments.

e-surveillance

The college has enabled e-surveillance by which the Head of the Institution monitors the campus through close-circuit cameras. It works towards management of the administrative and security issues in a remote manner. The main benefits of installing CCTVs are: to prevent burglary especially beyond working hours, controls student-crowding and group-protests, monitors the working of the administrative and academic functions, prevents misconduct in any area of the campus and enables documentation of any action or activities taking place within the campus.

The college follows online admission system since 2015. The system is transparent, accurate and convenient to co-ordinate. The college provides all relevant information like subjects combinations available, intake capacity, instructions for filling up admission forms, documents required for admission, etc. on its online admission portal. Students apply online, after which the system generates merit scores of each student on the basis of subject-wise weight age policy. On the basis of these merit scores, a merit panel is prepared, and admission taken in compliance with the intake capacity.

e-governance Policy

We have decided to automate all the various operation of the instructions in an integrated manner in order to enable transparency clarity in different functionalities of the instructions pertaining to teaching learning (Academic), administration, Examinations, Finance and accounting, admissions and Attendance of faculty/staff.

Implementation of e-governance is to be in operation in the following areas:

- 1) Planning and Development
- 2) Administration
- 3) Finance and Accounts
- 4) Students' Admission and Support
- 5) Classroom teaching
- 6) Examination

We are committed to embrace the concept, "Digital India". Students' admission is done through purely online mode. Students avail scholarships through national/state scholarship portals. Salary for full time teachers and staff are done through the HRMS portal. Different issues related to students like admission, registration, examination form-fill up, etc. has been conducted by online mode. Students' payment gateway is also solely online. The college has MOU with Vital Waste for effective e-waste management, especially the e-waste. Downloadable study materials are to be uploaded in the college website. Many class rooms and laboratories are ICT enabled. More projectors are to be installed in the coming academic sessions. Teachers are encouraged to use ICT facilities to make teaching learning effective. In addition, several online classes also been arranged for the academic interest of the students as per need.

Respected Madam/Sir,

Please refer to the earlier mails regarding the same subject as reminder once again for strict compliance, it is reiterated that all payments/deductions must be completed by this week if not already done. If the deduction amount is not deposited by this financial year, the same may be deducted from the institute fund, if the situation demands.

Kindly inform the Executive Engineer, PWD or ADDA concerned accordingly for the same.
