Report: Throughout the year numerous cultural and social events are organized in the college. Oftentimes cultural programmes are arranged by departments too. In all these events the participation of girl students are genuinely commendable. They sing, dance, recite and become the part and parcel of debate competition. Even they take the responsibility of decorating the puja pandal at the time of Saraswati Puja. In college Social Festival, organized once a year, girl students actively participate in the decoration of their respective departmental stalls.

At the time of Annual College Sports girl students' participation is noteworthy. They win prizes and certificates. In NCC units they enrolled themselves in large numbers. And their enthusiasm in all these showcase their confidence and desire to think in positive ways.
