**HELPING THE SOCIETY DURING COVID 19/PANDEMIC BY OUR ALUMNI**

The COVID-19 outbreak's unruly consequences have paralysed various sectors of society, including higher education institutions. The alumni of our college have contributed in an enormous way to the helpless people who were going through such crisis. They were spreading awareness about hand hygiene and social distancing through phones, posters and weekly meetings. They had been regularly monitoring and ensuring smooth supply of essential medical equipments including oxygen. The students had certain monthly agendas which includes the surveillance, food supply, risk free communication techniques etc . We are extremely proud of our alumni for their effortless contribution.
