NOTICE

It is hereby notifies that the Practical Examination (C programming) of Part III (old) will be held between 20/09/2020 to 21/09/2020 through online mode. The schedule of the Examination are to be notifies later on. Students are hereby directed to prepare their practical Notebooks in the following manner :-

For each problem there should be three pages.

Page 1:- Statement of the problem and working formula.

Page 2 :- Algorithm of the problem.

Page 3 :- C Programming and result of the above stated problem.

During examination you have to show us the practical Notebook and if required submit to the Department later on.
